We are proud to announce our participation in the 2018 edition of ARCO Madrid! Again, we have decided to dedicate a large portion of our booth to a selected artist from our gallery – ANNEGRET SOLTAU.

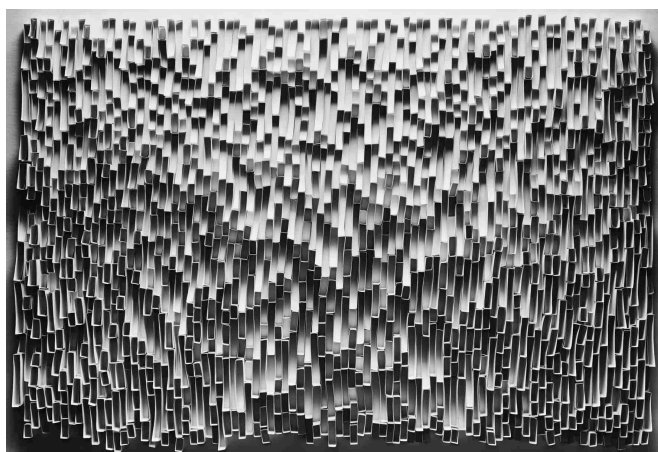

Annegret Soltau, Permanente Demonstration am 22.01.1976, 1976, 4 vintage photographs, 15 x 15 cm each

**Annegret Soltau** (\*1946, GRM) is a pioneer in the field of feminist art and Body Art. For over 40 years, she has occupied herself with her physical and mental identity. Our presentation will focus on her historic works and create a comprehensive exhibition of her artistic practice.

Besides Annegret Soltau, we will be showing works by the following artists: **Christiane Feser, Norbert Frensch, Sebastian Kuhn, Arcangelo Sassolino, Federico Solmi and Liat Yossifor.**
